SCIENCE
CAMPS of
AMERICA

Hawaii 2013

Science Camps
for Teens

Join us

on the Big Island of
Hawaii as we go out
into the **field** to
learn and experience
science

as never before.

SCIENCE
CAMPS of
AMERICA

Hawaii 2013

If you are entering grades 9-12 and have a passion for fun and science, Science Camps of America is for you.

On the Big Island of Hawaii, in what has been called "nature's greatest laboratory," you will see science come to life as you experience geology, oceanography, ecology, climate, and astronomy, "up close and personal".

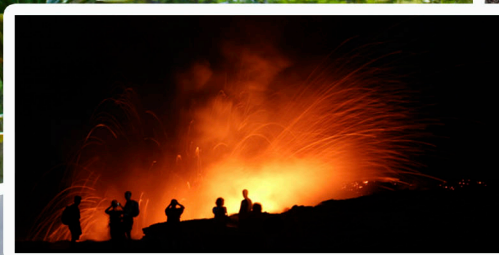

Land & Sea Air & Space

June 22 - July 1

July 1-10

Earth science as you have never experienced before. Active **volcanoes**, beautiful **reefs**, recent **lava flows** and black and green sand beaches are your classroom.

Learn about **Space**, our atmosphere and **climate change**, and visit world-class **observatories** in one of our Earth's most **diverse environments**.
